

Mira and the Shadow Beast

A story about being brave in the dark.

A With Me Books Demo · Stanley I. Greenspan MD Inc.

Mira wasn't scared of much — not in the daytime.

But at night, her bedroom changed its mind.

Under the bed, two amber eyes stared back.

"Please don't be scared," he whispered. "I'm scared too."

So Mira and the Shadow Beast flew into the dark together.

And the dark, it turned out, was full of friends.
